

ALTERNATIVE COURSES

Alternative courses (concurrent enrollment, correspondence, distance delivery, dual credit, etc.) will be accepted as regular courses for credit in the Wrangell Public School District under any of the conditions indicated below:

- A. The course was taken while a student was enrolled as a student in another district and was accepted for credit by the school, which the student was attending.
- B. The course is an accelerated or elective course that is offered by an accredited institution and the principal has granted approval (prior to taking the course is preferred).
