

SUSPENSION OF POLICIES, RULES AND REGULATIONS

Note: Policies require frequent updating. The School Board should not be forced into a position of strict adherence to policies that need revision or are out of compliance. By allowing the suspension of policy on the rare occasions, when necessary, this optional policy ensures that the School Board’s capacity to govern will not be limited by out-of-date policies. The suspension is a temporary measure to give the School Board adequate time to study the issues resulting in the suspension.

Policies, bylaws, and administrative regulations may be suspended for a specific purpose and limited time by majority vote. Suspension of any policy, bylaw, or administrative regulation shall undergo the following consideration:

1. Policies, bylaws, or administrative regulations shall be reviewed on their own merits rather than the circumstances of the moment.
2. The School Board shall decide whether the policy, bylaw, or administrative regulation still reflects the intent of the School Board and the law. If so, the suspension will be denied and the policy, bylaw, or administrative regulation reaffirmed in the minutes.

Superintendent or Designee’s Authority

The Superintendent or designee may suspend all or part of any policy, bylaw, or administrative regulation when it conflicts with state or federal law or regulations. The Superintendent or designee shall report the suspension to the School Board. Suspension shall be valid until the policy, bylaw, or administrative regulation is rescinded, amended, or reaffirmed.
