

**ASSIGNMENT OF STUDENTS**

The Board of Education directs that the number of students assigned to any one class shall be governed by considerations of instructional quality and economy of operation.

The Superintendent shall prepare guidelines for class size. Maximum limits shall take into account the subject matter, type of instruction, ability of students, room size and use of special facilities and equipment and may be waived to accommodate the demands of temporary increase in enrollment.

The principal shall have the responsibility for assigning, placing and scheduling students within a school unit.
