

**WRANGELL PUBLIC SCHOOLS**  
**COVID-19 ANTIGEN TESTING OPT-OUT FORM**

To opt out of random COVID-19 student testing, this form must be signed and returned to the school.

Please note that by signing this form, your child will also be opted out of the “Test to Stay” Program and will have to follow the quarantine regulations listed in the District Mitigation Plan after travel or when considered a close contact of a person who has tested positive.

**Information regarding Covid-19 Antigen Testing**

**Why is the student being screened?**

Regular screening of students is recommended by the CDC. Screening means testing students who have no symptoms and no known exposure to COVID-19 (i.e., do not meet criteria to quarantine currently because of close contact with a person with COVID-19). Optional masking might add to increased positives. This will help the district have data and allow the plan to continue.

**What to Do After Testing**

If the result is positive, the school will contact the parent or guardian and the student will need to leave the building. Families of students with positive results are encouraged to contact medical professionals.

IN ORDER TO OPT OUT, PLEASE COMPLETE THE INFORMATION BELOW.
