

WELCOME

Dear Parents,

Welcome to the 2020-2021 school year! We are the 2nd/3rd grade teaching team: Ms. Davies, Mrs. Hagelman, and Ms. Jenkins! We are very excited to teach your children this year! We have been busy getting our classrooms ready for all of our new friends. We can't wait to meet you and begin a fun-filled year together.

This school year will be one like no other! Even though there are many new challenges this year we are looking forward to being able to work with students in smaller groups through our A/B schedules and through distance delivery. We will work hard this school year to make sure your child's learning environment is safe, clean, and positive!

This year we will be using our online platforms from the beginning (Seesaw & Alaska Virtual School) so that we can make any learning environment work. We hope to make the transitions as smooth as possible and encourage you to contact us with any questions or concerns you may have.

Our class adventure begins on Tuesday, September 8th, 2020...the first day of school! We know that your child is going to be a great addition to our classrooms. Please send your child's supplies with them on this day, labeled and ready to use!

Sincerely,

Ms. Davies, Mrs. Hagelman, & Ms. Jenkins
